WAIVER OF LIABILITY INSURANCE – USA TRACK & FIELD SANCTION

In general, event organizers are added to USATF's Commercial General Liability insurance policy for the conduct of the sanctioned event. Events which already have sufficient liability insurance through another source may elect to waive the USATF liability insurance and receive a reduction in the National Sanction Fee. The organizer must submit a signed copy of this form and a valid Certificate of Insurance (see below) for each sanctioned event for which insurance is waived. Please return this form to your local Association along with all completed sanction forms at least four (4) weeks prior to the date of the event. If the organizer wishes to obtain a sanction for more than one event, it must submit separate paperwork (sanction forms and this waiver form) for **each** event.

In addition to this insurance waiver form, the organizer must submit a valid Certificate of Insurance naming USA Track & Field, its employees, directors, assigns & USATF Certified Officials as additional insureds. If the organizer wishes to obtain a sanction for more than one event during a calendar year, it may submit a single Certificate of Insurance naming USA Track & Field as an additional insured for all of the organizer's USATF sanctioned events during the year or it may submit separate Certificates of Insurance. In either case, Certificates must be specific as to event name, place and date. The organizer must also complete a separate waiver form for each event. The event is not sanctioned until both a valid Certificate of Insurance and insurance waiver form have been submitted and approved.

Insurance limits on these Certificates must be minimally the same as USATF's insurance and must specifically state that there is coverage for claims arising from participants in athletic events. See sanction instructions for further information.

Fees: The National Sanction Fee for events that waive the insurance shall be 25% of the listed National Sanction Fee up to \$1000. Note that the required paperwork (sanction forms and this waiver form) must still be filed for each event. The Association Sanction fee shall be determined by each Association. This fee shall be reasonable and reflect the goal of keeping fees for events that waive their insurance to a minimum.
