Participating Member Associations of USA Track and Field

Exposure

Directors and Officers of non-profit organizations have a personal liability exposure by virtue of their management of the organization and its financial assets. Employment related matters, breach of duty, and errors and omissions when making business decisions are hazards faced by nonprofit organizations nationwide.

Coverage Summary

Directors & Officers Liability (D&O): This coverage is intended to protect your organization's directors & officers from personal liability associated with their wrongful acts, errors, and omissions in the performance of duties for your organization. Typical D&O claims often allege mismanagement of funds and negligent decisions affecting club members, participants, coaches, officials and others.

Employment Practices Liability (EPL): This coverage is intended to protect your organization's board members from claims alleging harassment, discrimination or wrongful termination.

Note: *Directors and Officers Insurance is often confused with General Liability insurance. The two are not synonymous. A General Liability policy affords coverage with respect to claims arising out of bodily injury or property damage, and limited personal or advertising injury. A General Liability policy is not designed to cover the types of claims covered under D&O and EPL policies.*

Limits of Liability

Directors & Officers (D&O) Limit*:	\$1,000,000
Employment Practices Liability (EPL) Limit*:	Included
D&O Retention (Each Claim):	\$10,000
EPL Retention (Each Claim):	\$10,000

*Costs of Defense are included in the Limits of Liability.

***Separate limits apply to each Participating Member; however the policy has a \$5,000,000 overall policy aggregate.**

Claims-made Policy

Your policy is a claims-made policy. It provides coverage only for claims occurring after the policy retroactive date (if any) shown on your policy and the incident is reported to your insurer prior to the end of the policy period. Upon termination of your claims-made policy an extended reporting period option is available from your insurer.
